

Join us at Opal Events' Medicare Advantage Compliance Symposium!

July 11th-12th
Westin Arlington Gateway
Arlington, VA

In the face of expansive healthcare reform and shrinking budgets, it is more important than ever for health plans to arm themselves with the necessary skills and strategies to *combat Fraud, Waste and Abuse!* Opal Events' **Medicare Advantage Compliance Symposium** will bring together industry leaders to discuss these issues, and more! This event will provide health plans with strategies for minimizing the cost of health care fraud, combating waste and eliminating abuse! **Join us for both days and receive 14.1 CEUs! Click here to see our full agenda and attendee list [here](#).**

**Featuring a presentation from
Cynthia Marcotte Stamer on
“Leveraging The Law To Enhance Defensibility & Performance”**

Ms. Stamer's presentation will cover practical processes and practices health plans and industry leaders can use to leverage legal rules of statutory and contract interpretation, attorney-client privilege, documentation and evidence and other legal rules and legal procedures to promote the effectiveness and defensibility of fraud and other compliance efforts, contract enforcement, workforce, provider, vendor and claims management, internal investigations and other key legal and operational practices, performance and risk management activities.

The content-packed agenda for this 2-day program also features practical presentations and programs for a faculty of industry and government leaders on **key Medicare Advantage legal and operational risk management including prevention, detection and management of fraud, waste, abuse and other key performance and risk drivers.**
