### **About The Speaker, Bill Paschall**

In early 2013 Bill Paschall was recruited by Vivify Health to serve as VP, Business Development, and jumped at the opportunity. Vivify supplies a cloud based, Remote Care Management platform utilizing consumer electronics and wireless personal health devices empowering patients to better control health conditions. Prior to this, Bill spent 6 ½ years with ATT as Director of Clinical Applications and Senior Manager of the health Solutions Practice. He has over 27 years of healthcare experience and almost 20 years in Telemedicine (real time and store and forward, image and encounter management, and Telemonitoring) Bill is a Current Advisory Board Member of the following companies: American Doctors Online, Operational Strategies, Paratus, Inbound Interactive, and Virtual Medical Worlds Magazine. He is a past board member and Industry Council Chair of the American Telemedicine Association and uses his experience, expertise, and passion to create partnerships and solutions that improve patient outcomes and engagement, and satisfaction.
