The North Texas Healthcare Compliance Professionals Association (NTHCPA) invites members and other interested health care compliance professionals to join us on *Wednesday, March 18, 2015* from 11:30 a.m. to 1:30 p.m. for our Study Group Luncheon featuring Veniicy Nwigwe, JD, MSA, Acting Manager of Region VI (Dallas) of the Department of Health & Human Services Office of Civil Rights speaking on “OCR Civil Rights & Privacy Update.”

Registration & Meeting Details

The meeting scheduled from 11:30 a.m. to 1:30 p.m. on March 18, 2015. To accommodate the anticipated larger than anticipated attendance, the meeting will be held at the offices of Medsynergies in Irving, Texas. In addition to the program, participants who timely R.S.V.P. will enjoy a complimentary luncheon. Networking and lunch service will begin at 11:30. Our program will begin at Noon.

During this second annual visit from the Dallas Regional OCR Office, Ms Nwigwe will share the latest about OCR’s rules, audits, enforcement of the Health Insurance Portability & Accountability Act (HIPAA) Privacy, Security and Breach Notification rules, and the health care Civil Rights rules enforced by OCR and provide tips to help health care organizations promote compliance and deal with OCR in audits, enforcement or other situations.

NTHCPA encourages members and other interested health care compliance professionals to register early to reserve their spot to participate.

Please note that the meeting will take place on a special date, Wednesday, March 18, and at a different meeting location. While NTHCPA’s monthly meeting usually takes place on the third Tuesday of the month, the March meeting has been moved to the third Wednesday, March 18 to accommodate the scheduling needs of Manager Nwigwe. Additionally, the location of the meeting has been moved to expand NTHCPA’s ability to accommodate the higher than usual expected attendance. To expand available seating to meet expected demand, MedSynergies has agreed to host the meeting in its training rooms. Even with this added space, we expect the popularity of this program to restrict attendance. Accordingly, persons interested in attending this meeting are encouraged to register in advance as soon as possible [here](#).

There is no charge to participate in the meeting. However space is limited and available only on a first come, first serve basis. To ensure your spot and help us to arrange for adequate space and refreshments for this meeting, R.S.V.P. [here](#) as soon as possible and no later than Noon on March 13, 2015. Walk in guests will be accommodated on a space-available basis only.
