

## CSI Travel Healthcare: Case Scene Investigation

Join us for a **Free Webinar on May 24, 2011**

### Overview:

Join us as we endeavor to reduce risk and determine culpability by dissecting a case study in search of answers. As a team, we will investigate an event, seek out contributory factors, discuss legal theories, examine the liability landscape, and review the actual outcomes for the patient, provider, and insurance carrier.

### Objectives:

- Describe liability claim trends affecting agency nursing.
- Discuss implications for travel healthcare.
- Discuss theories of liability unique to staffing agencies, and unique to healthcare.
- Give an example of a coverage issue related to contractual liability.
- List at least two ways to reduce risk.
